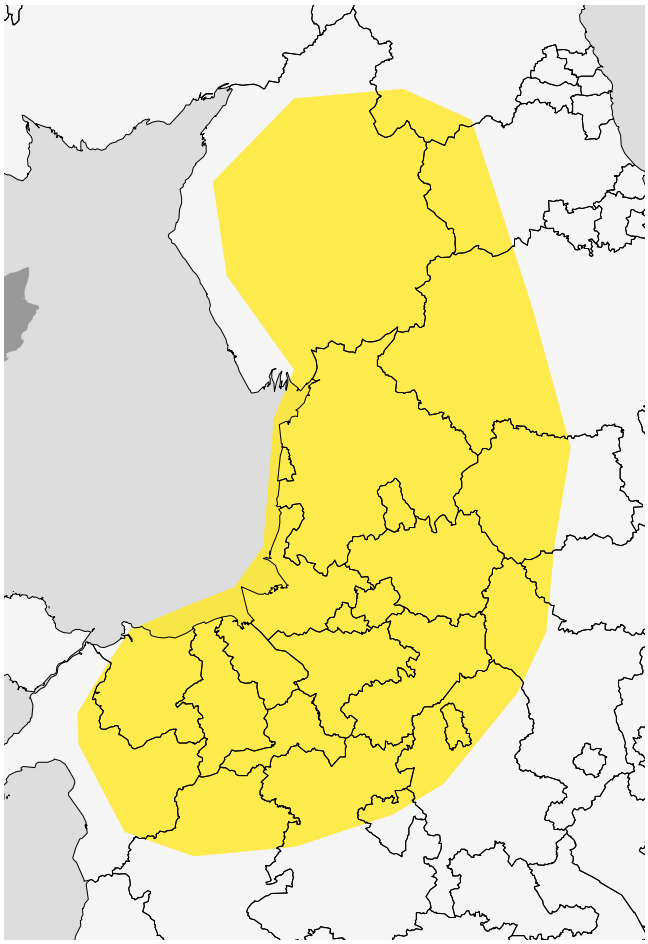
Yellow warning
Thunderstorm

Between
13:00 Mon 15 Jun 2020 and
21:00 Mon 15 Jun 2020



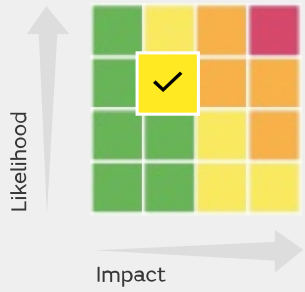
Thunderstorms may cause travel disruption in a few places.

What to expect

- Some flooding of a few homes and businesses likely, leading to some damage to buildings or structures
- Probably some damage to a few buildings and structures from lightning strikes
- There is a good chance driving conditions will be affected by spray, standing water and/or hail, leading to longer journey times by car and bus
- Delays to train services are possible
- Some short term loss of power and other services is likely

Further details

Heavy showers and thunderstorms will break out this afternoon before slowly fading this evening. Whilst not all places will be affected by these shower and thunderstorms, where they do occur torrential downpours are possible. 15 to 25 mm rain may fall in an hour in some places whilst a few spots could see 30 to 40 mm rain in two or three hours. Frequent lightning is possible and a few places may see some hail.



Medium likelihood of low impacts

Issued at 09:32 Mon 15 Jun, 2020
